Wine Exhibition Dinner

4th October 2019

Our Proud Sponsors are:

Powerful online tools for business

The Web Force 5 Group is committed to providing Powerful Online Tools for businesses that are easy to use and affordable. Web Force 5 is a wholly owned Australian business with locally based staff servicing clients in a market that we understand.

Proudly sponsored by
Lancefield & Romsey
Community Bank® branches
 Bendigo Bank

Our Lancefield and Romsey Community Bank branches have brought personalised banking back to our towns. They offer all the services of Bendigo Bank, and at the same time have put \$320,000 to date, back into community projects.

Multi-Color Corporation are proud to support the regional Wine producers of the Macedon Ranges. For all your labelling requirements please do not hesitate to contact Helen Walker your local representative for the Macedon Region. helen.walker@mcclabel.com

Macedon Ranges Shire Council works to develop the local economy through creating opportunities, supporting local businesses and encouraging new investment.

With their extensive range of traditional and innovative oak products, Classic Oak Products can recommend and supply the appropriate oak to ensure your wines achieve the structure and complexity you desire.

Longfellows Midland Insurance Brokers are experienced insurance brokers based in Melbourne, Australia. Their goal is to identify and structure insurance solutions for your needs and exposures, and to provide support and assistance in the event that a claim does occur. Longfellows has had a long association with the wine industry.

PLUMM Born and bred in Melbourne, Plumm is the first Australian glassware brand designed for specific wine styles. Produced in Europe from the highest quality crystal Plumm is designed to be enjoyed every day.

Supplying premium quality natural corks for the world's finest wines. From corks to capsules, screw caps to synthetic and sparkling closures, our customers can depend on Cork Supply – for everything from the neck up.

At Vintessential they pride themselves on being experienced beverage scientists. They offer a full range of services including chemical and microbiological testing of beer, cider, spirits, water, wine, fermentation and winemaking supplies and laboratory equipment.

VINTESENTIAL
LABORATORIES

We started small,

We remain boutique.

The path to our wineries

is the road less travelled.

Our cellar doors are extensions to the shed,

wooden floors, rustic corrugated iron

And well worn timbers.

Our wineries are family owned.

We grow the finest cool-climate grapes
in the land, and make exceptional wines;

scarce and diverse in nature.

We are Macedon Ranges Wines

of Limited Edition.

CLASS SIX
